To whom it may concern

The 23rd Limerick Scout Group is a voluntary youth organisation providing outdoor adventurous activities to young people in Caherdavin and the wider Northside area. Our Group is based out of our Scout Hall on Blackthorn Drive. The hall is also used by several other community groups.

The Group is currently in the process of upgrading the Scout Hall in line with Scouting Ireland's new fire safety guidelines. While the Group appreciates the need for the guidelines, they come with a considerable financial burden to a voluntary organisation such as ours.

With this in mind, we are reaching out to local businesses such as yours to support our **Sponsor a Fire Door** campaign. All we are asking for is a small donation of €100 which will cover the cost of one door. In exchange, the Group will add a plaque to the door with your company's name on it as well as adding your logo to the supporters' page on our website.

If you would like to sponsor one of the doors, please contact me on the number below. Your support in this campaign will be greatly appreciated.

Thanks for taking the time to read this letter. We look forward to hearing from you soon.

Yours in Scouting
